

## HPC-Europa2: EC-funded Research Visits For Computational Scientists

- Are you a researcher of postgraduate level or above, working in the EU or an Associated State?
- Do you require large computing power to improve your research?
- Would you like to visit a similar research group in Italy, the UK, Spain, Germany, France, the Netherlands or Finland?

The EC-FUNDED HPC-EUROPA2 VISITOR PROGRAMME COULD BE THE ANSWER!

### See what we can offer you:

- Access to world-class High Performance Computing systems
- Technical support and consultancy in High Performance Computing
- Scientific collaboration with host researchers in your field
- Travel and living expenses reimbursed
- Logistical and administrative support

See <http://www.hpc-europa.eu/> for more information and online application form.

**NEXT CLOSING DATES: 15<sup>TH</sup> NOVEMBER 2009, 28<sup>TH</sup> FEBRUARY 2010**
